### **Our commitments to you:**

We will only collect, keep, and use Personal Data for business purposes which are outlined on this page, or if we're legally required to do so.

We will continue to be clear and open on what Personal Data we collect and how it will be processed.

For as long as we maintain records of your Personal Data, we will keep it up to date and protect it with appropriate safety measures.

We respect your right to be forgotten, if for any reason you no longer wish for us to hold your data we are committed to removing it from our systems in a timely manner. 

### **What data do we collect?**

We collect and store the following data, which will have be submitted by yourself:

Personal data collected directly from you when you complete a **registration form** at or before your first session with us: your name, address, email address and year of birth.

### **How will we use your data?**

We will only use your personal data:

To contact you to let you know about changes to the session(s) you usually attend or have attended or to let you know about new sessions which might be of interest to you.

To contact you with marketing messages which you have requested or agreed to receive from us (for example via a branded newsletter).

To contact you with surveys and feedback requests so that we can improve our services.
